2021 | FEBRUARY/FEBRUARI

If educators refuse to change, then educators and schools will be adrift in the middle of the ocean without any direction.

“Jika tidak berubah, maka pendidik dan sekolah akan terombang-ambing di tengah lautan tak tahu arah.”

Menemukan Damai di Tengah Lautan

❶ **“Memasuki tahun 2021 banyak pendidik yang berharap badai akan segera berlalu. Keadaan akan normal kembali. Jika berpikir begitu, siap-siaplah kecewa.”**

Pertama, kita tidak tahu kapan badai berlalu. Kedua, walaupun badai sudah berlalu, wajah pendidikan tak akan pernah kembali seperti dulu.

Jika tidak berubah, maka pendidik dan sekolah akan terombang-ambing di tengah lautan tak tahu arah.

Selama 6 bulan ke belakang, PeaceGen dan Indika Foundation merancang peta pelayaran untuk para guru abad 21. Bersama beberapa guru, kami meramu modul 12 Nilai Dasar Perdamaian, critical thinking dan empati, yang diintegrasikan ke pelajaran PAI, PKN, dan BK.

Di bulan Januari kemarin, sekitar 150 guru terpilih dari total 713 pendaftar dari Aceh sampai Maluku, dari berbagai usia, ikut berlayar hingga seminggu lamanya. Lengkap dengan atribut bajak laut, para guru abad dua satu siap menempuh rute baru!

Selama pelayaran ini, respon guru-guru luar biasa antusias. Ternyata materi yang disampaikan selama ini adalah yang mereka butuhkan dalam menghadapi tantangan Pembelajaran Jarak Jauh (PJJ). Banyak yang langsung menerapkan Modul Perdamaian sebagai panduan dalam berlayar di kelas, baik itu pelajaran PKN, PAI, maupun Layanan BK.

Di tengah badai pandemi ini, para penggerak perdamaian membuat kenduri. Yaitu untuk mensyukuri advokasi kebijakan yang telah bertahun-tahun diperjuangkan. Yaitu dengan disahkannya Rencana Aksi Nasional Penanggulangan Ekstremisme (RAN PE).

Dalam acara kenduri perdamaian yang dimotori WGWC dan AMAN ini PeaceGen ikut berkontribusi dengan menampilkan musik hasil kolaborasi Erik Lincoln sebagai pencipta musik, dengan dua vokalis waktu Iqbal Ceka dari Bandung dan Vien Mangku dari Papua.

Lahirnya RAN PE dan 150 guru abad 21 ini membuat tahun ini dibuka dengan optimisme untuk masa depan indonesia yang damai.

Finding Peace Amidst the Ocean

E “As we enter into 2021, many educators hope that the storm will soon pass. Things will return to normal. If you think so, get ready to be disappointed.”

First, we don't know when the storm will pass. Second, even when the storm has passed, the face of education will never return to what it used to be.

If educators refuse to change, then educators and schools will be adrift in the middle of the ocean without any direction.

Over the past 6 months, PeaceGen and Indika Foundation have designed shipping maps for 21st century teachers. Together with several teachers, we have compiled the 12 Basic Values of Peace modules, critical thinking and empathy, which are integrated into the subjects of Islamic Education, Civic Education, and Counselling service.

Last January, around 150 teachers of various ages, selected from a total of 713 registrants from Aceh to Maluku, were chosen to sail with us for a week. Now equipped with new pirate skills, these twenty-first century educators are ready to take a new route!

“WHY JOIN A NAVY IF YOU CAN BE A PIRATE!”
—Steve Jobs

During this voyage, the teachers' responses were extraordinarily enthusiastic. It turns out that the material presented in the training so far is what they need for facing the current challenges presented by Distance Learning. Many teachers now directly apply the Peace Module as a guide to sail in their classes, be it Islamic Education, Civic Education, or Counselling services.

In the midst of this pandemic storm, peacemakers are making feasts. We are grateful for the policy advocacy that has been fought for for years and the adoption of the National Action Plan for Combating Extremism (RAN PE).

The peace feast event led by WGWC and AMAN PeaceGen contributed by presenting music from the collaboration of Erik Lincoln as music creator, with vocalists Iqbal Ceka from Bandung and Vien Mangku from Papua.

The birth of RAN PE and 150 21st century teachers opened this year with optimism for Indonesia's peaceful future.

PeaceGen Riau Cares

Peace Generation Riau participated in carrying out humanitarian actions in collaboration with and initiated by the Suska Riau Comparative School Student Association, and alongside Riau Pos, Aksi Cepat Tanggap (ACT), the Ansor Youth Movement (GP-Anssor). The fundraising campaign was held for eight days, 20-28 January 2021.

The donation money collected over those eight days amounted to IDR 12,105,000. In addition, there are also several boxes of

wearable donated clothes. These came from the Riau community, particularly the people of Pekanbaru City. The received donations will be distributed through ACT, GP-Ansor and PB HMI.

This fundraising activity is a form of care and concern for victims of natural disasters, such as floods and earthquakes in West Sulawesi and South Kalimantan.

In the midst of these already challenging times, the Riau facilitations were very grateful and appreciative to see the generous actions of all the friends involved.

Keep caring and loving each other.

Greetings from us PeaceGen Riau, hopefully we can always spread kindness and peace.

HOPE

1 #StoryofHOPE dari Pastor Ferry Sutrisna Widjadja

Saya bersyukur bisa memulai sinergi dari 2 lembaga ini, yaitu Eco Camp dan PeaceGeneration Indonesia. Sebuah sinergi apabila diumpamakan dengan matematika adalah $1 + 1 = 3$ atau bisa jadi hasilnya lebih besar dari angka 3. Dengan adanya sinergi melalui HOPE ini, saya berharap akan ada perbaikan keturunan dari 2 lembaga ini yaitu menciptakan dampak yang sebesar-besarnya bagi banyak pihak. Bagi teman-teman di luar, baik individu, komunitas, atau siapapun yang mau berjuang bersama, mari datang ke HOPE dan lihatlah apa yang bisa kita lakukan.

HOPE

📌 #StoryofHOPE from Pastor Ferry Sutrisna Widjadja

I am grateful to be able to start the synergy between these 2 institutions, Eco Camp and PeaceGeneration Indonesia. A synergy when compared to mathematics is $1 + 1 = 3$ or in fact the result could be greater than 3. With the synergy through this HOPE, I hope there will be an improvement in the offspring of these 2 institutions, namely having the greatest possible impact on many parties. For our friends outside, individuals, communities, or anyone who wants to fight together, let's come to HOPE and see what we can do.
